## 1. INTRODUCTION

In light of the multidimensional global challenges that the world is facing today, effective international development cooperation has become more critical than ever in advancing the 2030 Agenda for Sustainable Development. Building upon the momentum of reinvigorating the 1955 Bandung Conference that brings the spirit of equality to partnerships, culminating in the right to development, the Government of Indonesia will convene the High-Level Forum on Multi-Stakeholder Partnerships (HLF MSP) 2024 from **Sunday to Tuesday, September 1<sup>st</sup>–3<sup>rd</sup>, 2024, in Nusa Dua, Bali, Indonesia**. The event will be organized in parallel with the Indonesia-Africa Forum (IAF) II.

Under the theme “Strengthening Multi-Stakeholder Partnerships for Development: Towards Transformative Change,” the HLF MSP 2024 aims to facilitate dialogues, bridge collaborations, and accelerate collective action by serving as a middle ground in paving the way towards transformative changes through a multi-stakeholder approach.

The HLF MSP 2024 will bring together Heads of State/Government, International Organizations, Multilateral Development Banks, Civil Society Organizations, Private Sectors, Philanthropy Organizations, and Think-Tanks. The discussions will be explored through a variety of sessions, including through a Joint Leaders’ Session, High-Level Plenary, 12 parallel thematic sessions, and more than 16 special sessions and side-events.

The parallel sessions will focus on three thematic areas, which are: 1) Multi-Stakeholder Partnerships for Strengthening South-South and Triangular Cooperation; 2) Enhancing Welfare and Sustainability through Sustainable Economy; and 3) Advancing Development through Innovative Financing.

This document contains current logistical and other pertinent information regarding the arrangements for the HLF MSP 2024. Any updates or modifications to the information presented herein will be promptly issued and disseminated accordingly to all relevant parties. The organizing committee can be reached via email at [helpdesk@mspforum.id](mailto:helpdesk@mspforum.id) for all queries.

This arrangement requires delegates to enclose an invitation and accreditation letter to participate in the event. The application for diplomatic and service visas can be submitted to the Indonesian Embassies or Consulates accredited in the respective countries of residence or through the online visa application portal ([visa.kemlu.go.id](https://visa.kemlu.go.id)).
